Dear Parents and Carers

Queen's Jubilee Picnic – Friday 10th June at 2.00 pm

To celebrate the Queen's Platinum Jubilee, we are inviting parents and carers to join us on the school field for a family picnic. Families are asked to bring along a picnic lunch plus a blanket. Children will have already eaten their lunch in school but you may wish to bring in some extra nibbles/drinks for them to enjoy the picnic with you.

To make the event extra special, some of our pupils will be performing a music concert, supported by our Specialist Music Teacher, Mrs Parkin.

As we have the space on the field, younger (pre-school) siblings are also welcome to join us. We ask that parents and carers take responsibility for ensuring that their children remain with them at all times, making sure that they do not enter the school building or use the outdoor equipment at the back of school.

Families with children in different classes will all be able to enjoy a picnic together. At the end of the picnic, parents and carers will be invited to take their children home from 3pm. We recognise there may be some parents and carers who are unable to join us for the picnic, those children without parental supervision will still enjoy the event but will remain with their teacher and other classmates outside. At the usual time of 3.30pm, all remaining children will be dismissed following usual routines.

We are looking forward to seeing as many of you as possible. In order for us to manage supervision in school, we ask that parents and carers notify us of their intention to attend by completing and returning the slip below by Friday 27th May. On arrival your children will be dismissed into your care. Once the children have been dismissed to their parents and carers, the children will be the responsibility of their parents and carers. They will not be able to re-enter the school building.

Please note, for supervision and security reasons, school toilets will not be accessible to visitors during this event.

Yours Sincerely,

Mrs. Murfin
