Dear Parents or Carers

### **School Dinners**

Due to the considerable cost of living increase we have unfortunately had to review the cost of a school Dinner. We have tried to keep our dinner costs to a minimum and have always subsidised some costs to keep the lunch prices as low as possible. We unfortunately now need to increase the cost to be able to keep our lunch option viable. This means the cost of a school meal from September 5<sup>th</sup> 2022 will now be charged at £2.25.

A school meal can be book in the usual way using the school money (Eduspot) app, guidance for this can be found on our school website.

If you are entitled to Free School Meals, this will continue and there will be no charge when you checkout at the basket.

All the meals we provide are healthy, nutritious and well balanced. We encourage all children to have school dinners, however, healthy pack lunches can be provided from home if necessary. **Please note, we are a nut free school as we have some children with serious allergies. Please refer to the packed lunch policy on the school website for further information.**

If you have any questions, please feel free to contact the school office.

Kind regards
