Dear Parents and Carers

School Dinners

As your child starts year 3 in September, they will no longer be entitled to Universal Free School meals which the Government provides for all infant children from Reception to Year 2. This means the cost of a school meal will now be charged at £2.25.

A school meal can be booked in the usual way using the school money (Eduspot) app, guidance for this can be found on our school website. The only difference when you order and go to checkout, you will be charged £2.25 per meal. Meals can be paid for by Debit/Credit card using the secure payment method on Eduspot.

If you are entitled to Free School Meals, you will receive a text from school informing you of this and will continue to have no charge when you checkout at the basket.

All the meals we provide are healthy, nutritious and well balanced and meet the food school standards. We encourage all children to have a school dinner, however, healthy packed lunches can be provided from home if necessary. **Please note, we are a nut free school as we have some children with serious allergies. Please refer to the packed lunch policy on the school website for further information.**

If you have any questions, please feel free to contact the school office.

Kind regards

Helen Chamberlain
