Dear Parents and Careers,

CEO announcement

I am very pleased to announce that the Board of Trustees has appointed Mohsen Ojja to be Anthem's new Chief Executive Officer, effective from 1 January 2023.

Mohsen will be joining Anthem from The Mossbourne Federation in East London, where he was Deputy CEO for two years before becoming Acting CEO in January.

Prior to that, Mohsen was National Director of Education at E-ACT, having been a successful Principal of the Crest Academy in North London.

He is a highly motivated leader with extensive experience of working with schools in areas of high deprivation, and an uncompromising commitment to equality of opportunities for all.

We are delighted that Mohsen is joining the Trust and look forward to welcoming him to Anthem.

Kind regards,

Jay Bhutani

Chair of Trustees, Anthem Schools Trust
