

THE BEST TIME TO BUY and when to avoid

APRIL, MAY, JUNE The best time to buy

We strongly recommend that you buy your school uniform early and in advance of the school summer holidays. Buy with room for growth in mind and rest assured that we can exchange sizes for you up to when school starts in September—T's & C's apply.

Queues are minimal and Stock Availability is excellent

JULY - before the school holidays start and before 31st July.

July is a busier month however we recommend that you purchase school uniform **before** the school holidays start. Buy with room for growth in mind and rest assured we can exchange sizes for you up to when school starts in September—T's & C's apply.

Queues are slightly longer and Stock Availability is very good

AUGUST AND BEGINNING OF SEPTEMBER - please do not leave it too late. DO NOT RISK uniform selling out.

August & September are extremely busy months especially leading up to the start of the new school year. Sizes can sell out very fast so do not risk not being able to get your uniform in time. PLEASE AVOID shopping in the last 2 weeks of the school holidays, queues will be long.

Queues are in excess of 3 hours and Stock Availability is limited. Back orders placed after 4th August are **not guaranteed** to arrive for the start of the new school term.
