4th December 2023

Dear Parents and Carers,

Christmas Performance

Rehearsals for our Christmas production of Higgledy Piggledy are underway in Class 1 and Class 2 and we have great pleasure in inviting you to our performance. We will be putting on two performances, one morning and one afternoon. The performance dates and times are as follows:

Performance 1: Tuesday 19th December at 2.00 pm

Performance 2: Wednesday 20th December at 9.30 am

Parents/Cares are invited to reserve two places for either the performance 1 or performance 2. Please complete the slip below with your preference and return to school by Friday 15th December.

Please note, we will not be issuing any physical tickets for the performance. Instead, we will have a register of those who have reserved seats for that performance. Any siblings must be included within the two ticket allocation. Please can we remind parents and carers that we will not be able to accommodate pushchairs in the school hall.

Unfortunately, we are unable to issue additional tickets beyond the two per pupil, due to keeping attendance numbers to a safe level. However, if any parents do not want their allocated two tickets, any spare ones will be made available on Monday 18th December.

Yours sincerely

Mrs Murfin
