

MyChildAtSchool (MCAS)

Our home/school communication is via the MCAS app. It is used for the following:

- To order and pay for pupil lunches
- To book and pay for After School Clubs
- To book termly Parent/Teacher meetings
- To pay for Trips/Events
- To view your child's attendance
- To update Parental Consents
- To update your contact details and child's information
- Behaviour Reporting from school to home
- First Aid Reporting from school to home

How to Access MyChildAtSchool (MCAS)

This is accessible via the website mychildatschool.com or through the mobile app.

All parents/carers on our system will have an account by default (username is the email we hold on record) and you will simply need to use the password reset function to set a password. You can also scan the barcode below via your mobile phone which will take you to the app.
